

Shoppers Telling Shoppers Loyalty Program

When you tell consumers about the great value and convenience of our My Harvest America and they in turn, join as subscribers; the enrolling shopper will be rewarded with cash rewards! The income you earn can be used anywhere in the United States. The number of shoppers you enroll as subscribers to our National Home Delivery Service determines your reward; it's unlimited in the amount of rewards you can earn.

But Wait, It Gets Better!

Our "Shoppers Telling Shoppers" loyalty program can expand beyond your personally enrolled subscribers. Any subscriber that you enroll can also join our Shoppers Telling Shoppers loyalty program and enroll subscribers too. When that happens, you have the potential to earn rewards up to beyond 8 levels of referred Shoppers.

Essentially, your rewards are only limited by your efforts and the growth of your "Shoppers Team". Imagine, making money by telling people where to grocery shop, will your local grocer pay you for referring shoppers? Of course not!

Here is how your Shoppers Team can Grow and Grow!

Earn Commissions from all subscription orders placed in your 3 x 8 Shoppers Team that forms a Matrix. To qualify to receive Matrix Commissions, you must have enrolled as a Shopper or Super Shopper and be on a Monthly Subscription and have at least one (1) Personally Sponsored Shopper or Retail subscriber on a monthly subscription.

Example

As people join your business, they are automatically placed into various levels of your Shoppers Team. The My Harvest America computer builds your Team from top to bottom, left to right.

Every person in your business, including yourself, has (3) three “legs” or shoppers who are “Front Line” to them. This structure forms a “Matrix” of up to 9,840 subscribers who comprise 8 Levels.
